TESTIMONIALS

WHAT PEOPLE SAY ABOUT US

Ryan Cooper

5.0 ★

Logic Property has managed my property for several years now and have done an amazing job! They seamlessly handle any issues that come up, and reach out immediately to keep me informed of anything that is major.

Ali Salari

5.0 ★

I have worked with Logic for over 5 years now. They are a great Management company. They always find reliable renters. Payments are always on time. They seem to have great network of contractors to manage repairs quickly and affordably.

Peter Liu

5.0 ★

We love Logic Real Estate and Management. We've been using them since 2021. They are exactly how we want our property management company to work. Smoothly operating the daily items while keeping us in the loop with clear communications.

Luca Rattazzi

5.0 ★

We are new to owning and operating a rental property, and all the folks at Logic PM are great at guiding us through the process and respond promptly to our questions, and provide thoughtful responses. It's been great to know we have someone responsible and professional looking after our investment.

Andrew Pace

5.0 ★

We have an older rental property with a lot of maintenance needs. Logic Property Management handles everything. They proactively communicate issues and respond quickly to questions with clear plans or options. They are great to work with and I wish we had signed with them years ago!

Harper Johnsn

5.0 ★

Logic Property Management has been managing our property for a number of years. They are on top of everything all the time. If there are repairs needed they have people to take of the problem immediately. They deposit the rent each month. They handle everything so well I don't worry about anything with the property. ml would very much recommend
